Here's what to expect from this application.

- 1 First we'll ask about you and the people you plan to live with.
- 2 Then, we'll ask about your income.
- 3 Finally, we'll see if you qualify for any affordable housing lottery preferences, if applicable.

- Applicants are applying to enter a lottery for currently vacant apartments.
- Please be aware that each household member can only appear on one application for each listing.
- Applicants will be contacted by the property agent in lottery rank order until vacancies are filled.
- All of the information that you have provided will be verified and your eligibility confirmed.
- Your application may be removed if you have made any fraudulent statements.
- For properties with housing preferences, if we cannot verify a housing preference that you have claimed, you will not receive the preference but will not be otherwise penalized.
- Be careful about applying more than once for any listing, because more than one application from any person in your household could disqualify you and all of the household members from that opportunity. See the Terms section at the end of this application for more information.
